### TRIP TO MADAGASCAR

**PROGRAM:** STAN YALOF will present a digital-slide lecture about the plants, animals and people of Madagascar. With friends Tom De Merritt and Phil Favell from the San Diego club, Stan visited Madagascar in the summer of 2004 as part of the CSSA sponsored trip. He is a retired chemist who spoke to us in 2000 about his hero Alfred Wegener, continental drift and the origins of cacti. In 2001 he presented a talk on trips to west Texas, comparing it to the Galapagos in its distinctiveness and variety. His favorite subject is biogeography and the relation of cacti and other plants and how the earth was formed. This is a speaker with unique insights.

**LOCATION:** Dominguez Rancho Adobe, 18127 South Alameda Street, Rancho Dominguez, CA 90220. Take the 91 Redondo Beach/ Artesia Freeway and exit south on Alameda. Signs for the Adobe are posted on the freeway and on Alameda. Coming from the freeway, the entrance to the Adobe is on the right or west side of Alameda. The meeting will be in the Carriage House which is at the south end of the Dominguez Rancho Adobe Museum. It is at your right as you turn off the entry road into the parking area.

**TIME:** Sunday, April 23, 2006 at 1:00 p.m. We will follow this schedule: 1:00 to 1:30 -- setup and refreshments, 1:30 to 3:30 -- general meeting and program, 3:30 to 4:00 -- cleanup.

**PLANT-OF-THE-MONTH:** Cactus: *Cereus* and other columnars  
Succulent: Caudiciform *Euphorbias*

**REFRESHMENTS:** We will follow the alphabet to determine who is to bring the snacks and finger foods. This month, those with last names starting with the letters **L through P** are asked to bring the goodies. Please feel free to bring something even if you don't fall into this group.

**DOOR PRIZES, BIRTHDAY PLANTS & PLANT SALES:** Free plant for first time visitors.

**PLANT RAFFLE:** Tickets are \$1.00 each or six for \$5.00. Members are asked to donate any plants they would like to pass along that they think others would like to buy. Previous months' raffles have been big successes with several dozen plants available.

## 2006 PLANT-OF-THE-MONTH RULES

At the April, 2003 meeting, the following rules were adopted for the Plant-of-the-Month (POM) competition:

- A maximum of three plants may be entered in each category (cactus and succulent).
- There will be three classes for entrants: advanced (blue tag), intermediate (pink tag) and beginner (yellow tag).
- Advanced and intermediate entrants must have had the plant in their possession for at least six months, beginners for three months.
- Entrants will receive 8 points for first place, 6 points for second place, 4 points for third place, 2 points for show/honorable mention (HM) and 1 point for showing a plant that does not place.
- At the discretion of the judges there may be up to three third places in a category. If plants are not deemed to be of sufficient quality, no third place will be awarded.
- For an entrant to receive points, the entry tags must be collected by the person in charge of record keeping for POM.
- At the annual Christmas party, award plants will be presented to the ten highest cumulative point holders regardless of class.
