

January 2014

ROADRUNNER NEWS

Newsletter of the Long Beach Cactus Club
Founded 1933; Affiliate of the Cactus and Succulent Society of America, Inc.

Happy New Year to all! And many thanks to outgoing Roadrunner News Editor David Quadhamer.

Lachenalia mutabilis, photo by Ernesto Sandoval

MEETING PROGRAM: Ernesto Sandoval, director of the UC Davis Botanical Conservatory, will be talking about his experience growing South African bulbs. Come see pretty pictures of these photogenic flowers and learn about their diversity in both foliage and flower as well as their horticultural needs, and some of the reasons why South Africa has so many of them!

Also, Ernesto will be bringing bulbs and other succulent beauties to purchase for your benefit and that of the Botanical Conservatory. Nerine, Lachenalia, Albuca, Cyrtanthus and an assortment of other bulbs including a few CA natives will be available. Nearly all of these species are quite suitable for and tested in Southern California. He'll also bring less common succulents from South Africa and elsewhere such as Pseudolithos migiurtinus, P. cubiformis, Dorstenia gigas, Dendrosicyos socotrana, Euphorbia, a variety of Haworthia and other interesting succulents as well as some hardy Cycads.

LOCATION: Rancho Los Alamitos, 6400 Bixby Hill Road, Long Beach, CA 90815. We will meet in the meeting room next to the gift shop. Rancho Los Alamitos is located within Bixby Hill and accessed through the residential security gate at Anaheim and Palo Verde. From the 405 Freeway, exit at Palo Verde Avenue and turn south. From the 605 Freeway, exit at Willow, follow to Palo Verde and turn south.

TIME: Sunday, January 5, 2014 at 12:00 p.m. Setup will be from 11:30 – 12:00.

PLANT-OF-THE-MONTH:

Cactus: Mammillaria clusters
Succulent: Mesembs other than Conophytum or Lithops

REFRESHMENTS: We will follow the alphabet to determine who is to bring the snacks and finger foods. This month, those with last names starting with the letters **M through R** are asked to bring the goodies. Please feel free to bring something even if you don't fall into this group.

DOOR PRIZES, BIRTHDAY PLANTS & PLANT SALES: Free plant for first time visitors.

LBCC PLANT-OF-THE-MONTH RULES

At the April, 2003 meeting, the following rules were adopted for the Plant-of-the-Month (POM) competition:

- A maximum of three plants may be entered in each category (cactus and succulent).
- There will be three classes for entrants: advanced (blue tag), intermediate (pink tag) and beginner (yellow tag).
- Advanced and intermediate entrants must have had the plant in their possession for at least six months, beginners for three months.
- Entrants will receive 8 points for first place, 6 points for second place, 4 points for third place, 2 points for show/honorable mention (HM) and 1 point for showing a plant that does not place.
- At the discretion of the judges there may be up to three third places in a category. If plants are not deemed to be of sufficient quality, no third place will be awarded.
- For an entrant to receive points, the entry tags must be collected by the person in charge of record keeping for POM.
- At the annual Christmas party, award plants will be presented to the ten highest cumulative point holders regardless of class.
