

October 2000

Roadrunner News

Newsletter of the Long Beach Cactus Club

Founded 1933; Affiliate of the Cactus and Succulent Society of America, Inc.

WESTERN MEXICO

PROGRAM: DYLAN HANNON will present a slide lecture on Western Mexico.

Dylan has spoken to us in the past about his travels in Chile and plant propagation at C&J Cactus. He is currently working as a plant propagator at Rancho Santa Ana Botanical Gardens in Claremont.

LOCATION: Dominguez Adobe, 18127 South Alameda Street, Compton, CA 90221. Take the 91 Redondo Beach/Artesia Freeway and exit south on Alameda. Signs for the Adobe are posted on the freeway and on Alameda. Coming from the freeway, the entrance to the Adobe is on the right or west side of Alameda. We will meet in the cafeteria in the northeast of the big building next to the garden.

TIME: Sunday, October 29, 2000 at 1:30 p.m. Our use of the cafeteria is limited to the hours 1:30 p.m. to 4:30 p.m. Because of this constraint we will follow this schedule: 1:30 to 2:00 -- setup and refreshments, 2:00 to 4:00 -- general meeting and program, 4:00 to 4:30 -- cleanup.

NOTE: Daylight Savings Time ends today. Set your clock back one hour.

PLANT-OF-THE-MONTH: Cactus: Miniatures (staged as miniatures) - 3" maximum pot

Succulent: *Fouquieria, Idria*

There was some confusion in the Cactus category in August when *Echinocereus*, the plant scheduled for October, was inadvertently listed instead of miniatures. Most people brought *Echinocereus* but the judges allowed miniatures also. It was decided by the board that this month's official POM cacti are miniatures.

REFRESHMENTS: We will follow the alphabet to determine who is to bring the snacks and finger foods. This month, those with last names starting with the letters **N through S** are asked to bring the goodies. Please feel free to bring something even if you don't fall into this group.

DOOR PRIZES, BIRTHDAY PLANTS & PLANT SALES: Free plant for first time visitors.

PLANT RAFFLE: Tickets are \$1.00 each or six for \$5.00. Members are asked to donate any plants they would like to pass along that they think others would like to buy. Previous months' raffles have been big successes with several dozen plants available. Included last month were excellent specimens of *Agave victoria regina*, *Aeonium*, *Euphorbia trigona*, *Melocactus grisoleoviridis*, *Notocactus magnificus* and others, including cuttings from our garden.

2000 LBCC PROGRAMS AND EVENTS

Woody Minnich, Programs (805) 944-2784

MEMBERSHIP

SEND APPLICATIONS to Sandra Fletcher, (310) 538-4078, P.O. Box 3366, Gardena, CA 90247-7066. Dues are \$10 per year for regular membership, seniors \$7; each associate member (same household) \$2.50 additional. (Senior membership is for retired persons, 65 and older.) Checks should be made out to LBCC.

IF FOUR OR FIVE OR MORE MEMBERS are interested they may order official Long Beach Cactus Club member badges. The cost is \$6.50 per person. Please see treasurer, Sandra Fletcher, at the meeting.

NEWSLETTER

IF YOU HAVE ANY STORIES, cultivation tips, information about upcoming calendar events or news in general about cacti and succulents that might interest our members, please send them in or give me a call. Comments and suggestions are always welcome. Remember, this is your newsletter. The address is: E. Lisa Smith, 2075 E. Appleton St. #24, Long Beach, CA 90803-6205. Telephone: (562) 439-8056.

CLARENCE B. WRIGHT MEMORIAL DESERT GARDEN

COME AT 12:00 P.M., AN HOUR BEFORE THE REGULAR MEETING and help John Caceres plant, water and maintain our garden. Call John at (562) 949-7631 to find out other days that a work party might be arranged. Find out what's blooming each month and get ideas for your home garden.

SPECIAL THANKS to the CLARETIAN ORDER for allowing us to use the grounds of the DOMINGUEZ SEMINARY for our auction and the cafeteria for our monthly meetings. We appreciate the pleasant setting as well as being able to meet near our garden.

CACTUS AND SUCCULENT JOURNAL (U.S.), Vol. 72 (2000), No. 5 239

TABLE OF CONTENTS

| VOL. 72 | SEPTEMBER-OCTOBER, 2000 | No. 5 |
|--|-------------------------|-------|
| <i>Hylotelephium pluricaule</i> (Crassulaceae), with digressions into name changes, oriental wanderings, et just plain cetera Reid Moran 240 | | |
| <i>Oreocereus tacnaensis</i> Ritter—a natural hybrid? Graham Charles 243 | | |
| Report of the CSSA Research Committee for 1999 Daniel L. Mahr 246 | | |
| <i>Euphorbia specksii</i> Rauh, a new species of subgenus Trichadenia, and its close ally, <i>Euphorbia platycephala</i> Pax Werner Rauh 247 | | |
| The beautiful <i>Hylocereus stenopterus</i> Ralf Bauer 255 | | |
| Two remarkable South American peperomias Werner Rauh & Myron Kimnach 257 | | |
| → <i>Frankincense on Soqotra Island</i> Bruno A. Mies, John J. Lavranos & Gary James 265 ← | | |
| <i>Euphorbia guerichiana</i> Pax Anthon F.N. Ellert 279 | | |
| Superb Succulents Duke Benadom 286 | | |
| Spotlight on Round Robins Braden Engelke & Rita Fleischmann 288 | | |

Cover. The last two issues featured the succulents of that remote and nearly inaccessible island, Soqotra (or Socotra, if you prefer), and the present issue continues the theme with a detailed account of the Soqotran species of *Boswellia*, semi-succulents related to *Bursera* and *Commiphora*. One of its co-authors is Gary James, who can be seen in our cover photo posing beside a magnificent specimen of *Adenium socotranum*.

LBCC NOTES

On the following pages are details of next year's **CSSA Convention** which will be held next July in Woodland Hills under the sponsorship of the Los Angeles Club. A local convention means everyone will be able to attend but only if they are CSSA members. What better reason and what better time than now to **join** our national organization, the Cactus and Succulent Society of America? You gain the opportunity to hear fascinating speakers, attend the rare plant auction, go on field trips and meet fellow cactophiles from around the world.

Of course, your membership includes a subscription to the **CSSA Journal**. The contents of the September/October issue is printed on the preceding page. LBCC member **Gary James** is shown the cover with a spectacular *Adenium socotranum* in a picture taken on his trip to Soqotra. Last year, LBCC members got to see a slide presentation of Gary's trip to this remote place which is truly a treasure island for succulent lovers. As noted, the previous two issues have featured Gary's account of that trip. This issue has an article co-authored by Gary on the Soqotran species of *Boswellia* or frankincense.

(As a side note, LBCC has received literature from a company that is **selling *Boswellia sacra*** for \$150 and up. If you are interested, contact the Frankincense Co., P.O. Box 1440, Maricopa, AZ 85239; telephone (520) 568-2278 ext. 334; fax (520) 568-2556; email: franksincense@aol.com.)

Thanks to everyone who helped to make our **September auction** a success: auctioneers Dick Hulett and Victor Turecek, recorders and cashiers Harry and Sandy Fletcher, sellers Petra Crist, Gary Duke, Larry Grammer, Dick Hulett, and Sharon and Bob Thoerner and everyone who bid on and bought plants and pots and rocks. Special thanks to Gary Duke and Scott Bunnell for donating plants.

Thanks to all who participated in the **Inter-City Show**. Here is a listing of trophy winners, many of whom are LBCC members::

| | | | | |
|----------------------------------|---|--|-----------------------------|---|
| Frank Horwood Trophy | Best Euphorbia | Vince Basta. Euphorbia gymnocalycioides | | |
| Doren Black Trophy | Best Mammillaria | W.Minnich. Mammillaria herrerae | | |
| Ed Storm Trophy | Best Mesemb | Jim Hanna. Mestokleria arboriforme | | |
| Harry Johnson Trophy | Best Madagascar Euphorbia | Larry Grammer. E. cylindrifolia tubifera | | |
| Joe Ramos Trophy | Best Rookie Novice (Cactus) | Frank Cuva | Best cactus/novice | Laveme Pitzer. Mammillaria bombycina |
| Tegelberg Trophy | Rarest Plant in Show | Larry Grammer. Euphorbia sp. | Best cactus/advanced | Petra Crist. Ferocactus herrei |
| August Breitung Trophy | Best Agave | C. & J. Spotts. Agave bracteosa | Best cactus/open | W.Minnich. Aztekium ritteri |
| Bill Low Trophy | Best Fouquieria | RSVP. Fouquieria fasciculata | Best succulent/novice | Harry & Sandra Fletcher. Euphorbia unispina |
| Ted Taylor Trophy | Best Opuntieae | C. & J. Spotts. | Best succulent/advanced | Vince Basta. Cyphostemma juttiae |
| Maihueuopsis melanacantha | | | Best succulent/open | Larry Grammer. Cyphostemma uter |
| Best Caudiciform | RSVP. Dioscorea paniculata | | High Points cactus/novice | Dave DeLucca/Khobe Carvalho |
| Best Ariocarpus | W.Minnich. A.kotschubianus elephantidens | | High Points cactus/advanced | Petra Crist |
| Best Argentine Cactus | DeLucca/Carvalho. Pygmaeocereus sp | | High Points cactus/open | Woody Minnich |
| Best Crested Cactus | W.Minnich. Ariocarpus retusus | | High Points succulent/nov | Laura Oster |
| Best Chilean Cactus | W.Minnich. Copiapoa hypogaea | | High Points succulent/adv | Petra Crist |
| Best Haworthia | C.&J. Spotts. Haworthia semivivi | | High Points succulent/open | Larry Grammer |
| Best Madagascar Plant, not Euph. | Larry Grammer. Operculararia decaryi | | Sweepstakes/novice | |
| Best Echinocereus | Vince Basta. Echinocereus baileyi | | Sweepstakes/adv | |
| Peoples Choice Trophy | Most Popular Plant | Leo & Lillian Pickoff. | Sweepstakes/open | |
| Sanseveria pinquicula | | | Grand Sweepstakes | Woody Minnich |
| Best Rookie Novice (Succulent) | Jean Pierre Rivera | | | |
| Best Pachypodium | Larry Grammer. Pachypodium bispinosum | | | |
| Best Aloe | Duke & Kaz Benadom. Aloe erinacea | | | |
| Best Asclepiad | RSVP. Gonolobus cyclophyllum | | | |
| Otis & Lillian True Trophy | Best Allied Interest | Sandra Fletcher. | | |
| | Needlecraft sculpture | | | |
| Best Astrophytum | Vince Basta. Astrophytum capricorne | | | |
| Best Gymnocalycium | W.Minnich. Gymnocalycium stellatum | | | |
| Best Cereus | Vince Basta. Oreocereus celsianus | | | |
| Best Rebutia/Sulcorebutia | RSVP. Sulcorebutia rauschii | | | |
| Fred Hutflesz Trophy | Best Epiphytic Cactus | Cathy McCammon. Rhipsalis capilliformis | | |
| Best Gasteria | Gene & Laura Oster. Gasteria sp variegata | | | |
| Best Native U.S. Cactus | W.Minnich. Escobaria sneedii | | | |
| C.W.Elliott Trophy | Best Collection | Bill Hagblom. Pachypodiums | | |
| Best Echeveria | Marilyn Henderson. Echeveria subrigida | | | |
| Best Crested Succulent | Larry Grammer. Plumeria sp | | | |
| Best Staged Plant | Michael & Joyce Buckner. Ficus thoiningii | | | |
| Best Miniature | Rene Caro. Ariocarpus kotschubianus | | | |
| Dennis Juhnke Memorial | Best Bonsai Succulent | Rudy Lime. Operculararia decaryi | | |
| Best Exhibit | Larry Grammer. Living rocks | | | |

The Cactus & Succulent Society of America, Inc

Hosting its 29th biennial convention. Venue: The Warner Center Marriott, Woodland Hills, California

THE SOCIETY

The Cactus and Succulent Society of America (CSSA) was created to promote better understanding and appreciation of these extremely fascinating plants.

The CSSA, a national organization, encourages and supports more than 80 independent affiliate groups. The positive direction provided by the CSSA regarding both national and worldwide environmental concerns is being recognized as a strong voice for conservation and preservation of threatened and endangered plant life.

The CSSA Journal and Newsletter is issued bi-monthly and is internationally recognized as an outstanding publication. Illustrated with color and b/w photos, it contains excellent articles of appeal with a balance for both the amateur and serious student of cacti and succulents. The advertisement section provides sources for plants, books and supplies available throughout the country. The Affiliate Newsletter is included with the journal and gives information about what affiliate societies are doing and a calendar of events.

ADMINISTRATION OF THE CSSA

The affairs and the business of the Cactus and Succulent Society of America are conducted quarterly by a board of directors composed of elected members from throughout the United States.

Various committees devote a great number of hours each year to keep the CSSA a viable and progressive organization.

Some of our most important work is in support of research, conservation, and environmental protection. Other activities relate to our Library, Foreign Relations, Lecture Coordination, International Liaison, Convention, Historian, Seed Distribution, Slide Programs, Shows, Show Sales and Publications.

ALL MEMBERS OF THE CSSA:

Share responsibility for preservation of some of our natural treasures (those wonderful succulent plants);

Support research related to succulent plants. The CSSA provides a convenient means for organizations and individuals to contribute to this endeavor;

Receive the bi-monthly Cactus and Succulent Journal – and Affiliate Newsletter at no additional cost;

Are encouraged to submit articles for publication in the Journal and the Newsletter;

May participate in the show judge training program and certification;

May participate in any of a number of Succulent Plant Round Robins;

May obtain a list of expert speakers for club meetings;

May obtain slide programs for use by any affiliated club or group at nominal cost for postage and handling;

Obtain early announcements about succulent books – often before they are published;

Have an opportunity to obtain rare seeds at nominal cost;

Obtain reduced registration fees for the CSSA Biennial Convention – a gathering point for succulent plant enthusiasts worldwide with excellent programs for all levels of interest.

Meet other cactophiles who share their enthusiasm and interest at meetings, conventions, conferences and shows, where enduring friendships frequently begin.

AFFILIATED CLUBS

There are more than eighty affiliated organizations located throughout the United States, Canada and other countries. For more information on organizing an affiliate club, or on the location of a club nearest you, write to:

Affiliate Committee

JOINING THE CACTUS AND

SUCCULENT SOCIETY OF AMERICA

There are no restrictions on membership. Members are of all ages, walks of life and from many different ethnic, cultural and social backgrounds. We have members in South America, Europe, Asia, Africa and Australia. While most members are amateurs, others are world famous scientists, commercial growers and educators. Novice growers are always welcome.

To join the Cactus and Succulent Society of America, fill in the required information on this sheet and send with your check or money order (or use your credit card – see below) payable to CSSA in United States funds to:

CSSA, Inc.

2000 PLANT-OF-THE-MONTH RULES

At the November, 1996 meeting, the following rules were adopted for the Plant-of-the-Month (POM) competition:

- A maximum of three plants may be entered in each category (cactus and succulent).
- There will be three classes for entrants: advanced, intermediate and beginner.
- Advanced and intermediate entrants must have had the plant in their possession for at least six months, beginners for three months.
- Entrants will receive 6 points for first place, 4 points for second place, 2 points for third place and 1 point for showing a plant that does not place.
- At the discretion of the judges there may be up to three third places in a category. If plants are not deemed to be of sufficient quality, no third place will be awarded.
- For an entrant to receive points, the entry tags must be collected by the person in charge of record keeping for POM.
- At the annual Christmas party, award plants will be presented to the ten highest cumulative point holders regardless of class.

2000 LBCC PLANTS-OF-THE-MONTH

| <u>MONTH</u> | <u>CACTUS</u> | <u>SUCCULENT</u> |
|--------------|--|-------------------------------------|

AUGUST PLANT-OF-THE-MONTH WINNERS

Judges - Stan Yalof, Bob Gillett, Jim Hanna

Cactus -- Advanced

1. Dick Hulett *Echinocereus marricalii*
2. Gary Duke *Echinocereus stramineus*
3. Jacques de Tisné *Echinocereus viridiflorus v. nova*

Cactus - Intermediate

1. Dot Miller *Echinocereus sp.*
2. Tom Williams *Echinocereus nivosus*
3. Laverne Pitzer *Echinocereus inermis*

Cactus - Beginner

1. H. & S. Fletcher *Escobaria minima*
2. H. & S. Fletcher *Escobaria leei*
3. H. & S. Fletcher *Epithelantha micromeris v. linguispina*

Succulent -- Advanced

1. Jacques de Tisné *Quaqua incarnata v. incarnata*

Succulent -- Intermediate

1. Tom Williams *Fockea edulis*
2. Tom Williams *Fockea tulgensis*
3. John Cáceres *Ceropegia redulii*
3. Laverne Pitzer *Stapelia sp.*

Succulent - Beginner

1. H. & S. Fletcher *Pseudolithos migiurtinus cubiformis*
2. Phyllis Jaskulski *Caralumma pyranthoides*
2. Earlean Wagner *Ceropegia woodii*
3. Bob Gillett *Fockea edulis*
3. Bob Gillett *Hoya kerrii*
